The Christian Educational Association (CEA), 530 Chestnut Street, Union, New Jersey, publishes "Common Sense", which is edited by CONDE MC GINLEY. "Common Sense" is termed a hate sheet and is purportedly an anti-Communist newspaper which is anti-Semitic and to a lesser degree anti-integration.

CHRISTIAN EDUCATIONAL ASSOCIATION
OF UNION, NEW JERSEY
RACIAL MATTERS

It is considered desirable at this time to review the status of this case for the purpose of determining whether the investigation should be continued, and if so, to determine the precise scope of future investigation.

There must be a proper basis for every investigation of this type and such investigations in general are confined to organizations which advocate, condone or incite violence for the purpose of denying others their rights under the Constitution. The fact that an organization sponsors unpopular causes or propaganda is not sufficient predication for investigation and the Bureau must insure that there will be no justifiable basis for any charge that such investigations infringe upon constitutional freedoms of speech, press or assemblage.

Although the publications of Conde McGinley and the Christian Educational Association which have been reviewed at the Bureau are viciously anti-Semitic, it is not apparent that they fall within the purview of the standards set forth above.

[redacted] has furnished information concerning this organization and Bulet 1-15-59 requested that New York specifically interview [redacted] regarding his knowledge as to whether Conde McGinley or his associates advocate, condone or incite violence for the purpose of denying others their constitutional rights. New York is requested to expedite this interview and if possible the results should be furnished by 2-20-59.

b7D

Within two weeks of the receipt of the results of interview with [redacted] Newark is requested to submit a recommendation as to whether this investigation should continue. The recommendation should be fully documented. You should also set forth in detail any facts indicating that McGinley, the Christian Educational Association and/or associates either do or do not advocate, condone or incite violence.

SUBJECT: **CHRISTIAN EDUCATIONAL ASSOCIATION

RACIAL MATTERS**

ReBulet to Newark, 2/5/59.

The status of this case has been reviewed and although the Christian Educational Association is very anti-Semitic, there is nothing specific to show the organization advocates, condones, or incites violence in racial matters.

The following tabulation would tend to support this conclusion:

1) Extensive investigation of CEA has failed to reveal any connection between the organization and any racial violence other than the fact that "Common Sense" has been distributed in the areas affected.

2) [redacted] advised on 1/30/59 that from his own knowledge, he could not furnish any specific instance which would prove that CONNIE MC GINLEY or his associates advocate, condone, or incite violence for the purpose of denying others their constitutional rights. [redacted] receives all of his information from a source which he terms reliable but whose identity he does not wish to disclose. This undisclosed source is [redacted]

b7D

3) In an interview on 10/24/58 with Bureau agents, MC GINLEY advised that he believes the Jewish leaders themselves bombed the Synagogues in order to get public sympathy and to stir up anger against those that oppose them. The articles in "Common Sense" tend to hold to the same view.

- 4) MC GINLEY has claimed that he does not hate the Jews but only the Zionist Movement. In the January 1, 1958 issue of "Common Sense", he cited the bombing of a synagogue in Algeria by Moslem terrorists in which eight worshipers were injured, as "bonafide anti-Semitism".
- 5) MC GINLEY advised in the interview on 10/24/58 that he regularly attends a Roman Catholic Church.
- 6) A review of "Common Sense" and other publications of the CEA has been made and it appears that "education" of the people concerning the "evils" of Zionism is the method of combat indicated rather than violence.

It is recommended that this investigation be discontinued as per the last paragraph of remalet.

At present there are a few outstanding leads in other offices and should the recommendation be approved, the case will be closed on submission of the next report and coverage of the leads previously set out.

INTERVIEW REPORTDate May 17, 1960

At 7:29PM, on instant date, [redacted]

[redacted] telephonically contacted the writer and advised that he had received in the mail, literature prepared by the Christian Education Association, Union, New Jersey, which contained extremely derogatory material against persons of Jewish faith. The material distorted remarks by BENJAMINE FRANKLYN and called attention to incidents in history and speeches made by prominent personalities which supported allegations against the Jewish faith.

[redacted] stated that he recognized the handwriting on the envelope, but, could not place it at this time. He said that the postmark on the envelope indicated that the material had been forwarded from Stamford, Conn. on 5/15/60. He said that at the bottom of the page there was the notation that it had come from the Christian Education Association, Union, New Jersey and noted an Order No. 105. It also said that one copy of the material could be obtained free and additional copies were available.

[redacted] advised that he knew of no such organization and regarded the material as an outrage. He was requested to forward the material and envelope to the NYO and he stated that he would do so as soon as possible.

Memorandum

TO : SAC, NEW YORK

DATE: 2/9/61

FROM : SUPV. RAYMOND J. RUCKEL

SUBJECT: CHRISTIAN EDUCATION ASSOCIATION
RACIAL MATTERS

On 2/9/61, SA HARRY A. FISHER, JR., of the Newark Office furnished the following approved Bureau Thumbnail Sketch on the Christian Education Association:

"Common Sense" is a bi-monthly tabloid size newspaper, published by the Christian Education Association, 530 Chestnut Street, Union, New Jersey. The last statement of ownership appeared in the 10/1/59 issue and listed the owner and publisher as the Christian Education Association and Editor as CONDE MC GINLEY. Each issue of the publication contains a box which indicates that MC GINLEY is the Editor and that it is published by the Christian Education Association.

The Committee on Un-American Activities of the US House of Representatives on 12/17/54, published the "Preliminary Report on Neo-Fascist and Hate Groups", in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a fluctuating circulation of between 30,000 and 100,000 copies an issue. The report described the paper as a "hate sheet", the vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts Communism and Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent the Negro minorities in the US. Sympathy for the former Nazi Government in Germany is also shown in the paper.

Below investigation conducted by [redacted]

On 5/8/62, [redacted] American Federation of Television and Radio Artists, 724 Fifth Avenue, New York City, advised that his records reflect the subject, known as WALLY BUTTERWORTH was a member of the union from 1939 through August, 1949, at which time his membership expired and the union had no further trace of him. The last address shown for the subject was 110 W. 59th Street, NYC.

On 5/10/62, [redacted] advised that the subject resided in [redacted] of said building from 10/1/47 (the time he signed the lease) until approximately 1958; [redacted] having no record of the subject's actual date of departure. [redacted] advised the subject had an antagonistic air about him and frequently expressed anti-Semitic feelings which caused considerable bewilderment among the other tenants in the building. It was [redacted] recollection that the subject, in being unable to secure gainful employment in the NYC area, left the City for Canada with his wife and he understood the subject and his wife separated and the subject thereafter went to Pennsylvania his original home. On 5/8/62, [REDACTED] Ross Reports, NYC, advised his records reflect that subject packaged a television program called "Meet the Champ", which was broadcasted over the ABC Television Network from 1/3/52 through 6/26/52, originating through ABC, NY facilities. This show was sponsored by the American Tobacco Co., (Lucky Strike Cigarettes). [REDACTED] further advised that he personally recalled the subject was connected with the show called "Vox Pop", which was a popular radio show in the late thirties and early forties in the New York City area and was subsequently a popular television show in the infant years of television in the NYC area. [REDACTED] advised it was his opinion that "Vox Pop" was a packaged program handled by the Dumont Network outlet in the NYC area which ceased business approximately 3-5 years ago and because of inadequate administrative control, over their records, there is no information available at this date.

On 5/10/62, THOMAS LOUGHMAN, NY Athletic Club, former light heavyweight champion of the world, advised he was associated with the subject in connection with the above-mentioned "Meet the Champ" program. He stated that the subject was a "promoter type high pressured salesman" about whom he, LOUGHMAN had limited autobiographical information. LOUGHMAN stated the subject was born in Media, Pennsylvania in the early 1900's and comes from a family which is long established in that area. Subject's wife's name was given as ANTONOWITZ and they had one boy. LOUGHMAN advised the subject while possessing an excellent publicity personality, was very antagonistic in his approach towards others and LOUGHMAN believed that in the mid 1950's, the subject associated himself with COHEN MC GIMLEY, 503 Chestnut St., Union, NJ, Editor of "Common Sense", which he described as "an anti-Semitic and hate type publication.

Gentlemen:

Enclosed herewith is some literature we received in the mail. We have no idea how we received this, except that it appears to be an answer for a request for information on our machines, which, however, it was not.

On the bottom of the letter enclosed is a reference to Force Machinery Co., one of our customers. We must say that we are somewhat surprised that people like the Christian Educational Association are permitted to send out letters with paragraphs in it, such as the second paragraph in this letter in reference to Communist Jews.

We would appreciate it if you would take steps and see that any further propaganda of this nature is not sent to us any more. We also wish to point out that the writer of this letter is not a Jew, however, does not see any need for prosecution of any religious or any other group.

The main reason why I am sending you this is, that the whole thing strikes us as being a Communist publication.

I look forward with interest to your comments in this matter and remain ready to help you in any way possible.

Enclosed is an envelope containing literature received in the mail. It contains what I consider the worst hate material I have ever seen in my life.

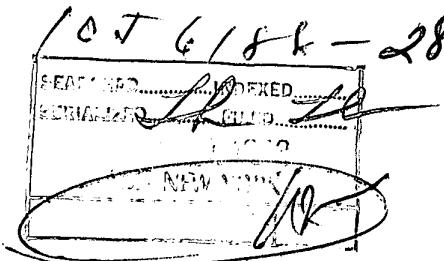

I don't know how this organization got my name or why they mailed this trash to my place of business.

Will you please let me know if this type of literature is permitted to go through the mail and if so, why.

I sincerely hope that by turning this over to you that something can be done to end this mass hate.

BENJAMIN FRANKLIN KNEW WHEREOF HE SPOKE?

The following is a condensed form of Benjamin Franklin's address, delivered before the Constitutional Convention in Philadelphia in 1787.

"There is a great menace to these United States today and that great menace, Gentlemen, is the Jew. In whatever country Jews have settled in any great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated, have sneered at and tried to undermine the Christian religion upon which this Nation is founded. They have built up a state within a state, and have, when opposed, tried to strangle that country to death financially."

"If you do not exclude them from the United States in the Constitution, in less than 200 years they will have swarmed in such great numbers that they will dominate and devour the land and change our form of government."

"If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish the substance while they will be in the counting house rubbing their hands. I warn you, Gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves. Jews, Gentlemen, are Asiatics; they will never be otherwise."

For years the original of the foregoing statement by Benjamin Franklin was in the Franklin Institute in Philadelphia. Scores of affidavits bear this out, but the Jews could no longer stand the truth of it and had it taken out. Just how true were Benjamin Franklin's words? Let us see: The Jews have been driven out of almost every country in Europe. What is all this about? Is it all for nothing? Impossible! The Jews were driven out of almost every country in Europe because of their plots to grab all in every country for themselves, and to eventually take that country over, just as their conspiracy is for world conquest, and communism is their principle weapon to attain that end.

Records show that at least ninety percent of all Jews are Communists. The late Rabbi Stephen S. Wise of New York said: "Some call it Communism but I call it Judaism." Jews boast in their own literature that they can bring about revolutions and create wars. After reading the *Protocols of Zion* (Jewish plans for world conquest) Henry Ford said: "Corral fifty of the world's wealthiest Jews and there will be no more wars."

Fathers and mothers of America, are you going to sit idly by and see the Jewnited Nations make laws for Americans to live up to? **AMERICANS AWAKE, BECOME ORGANIZED, AND SAVE YOUR COUNTRY BEFORE IT IS TOO LATE.**

Every red blooded American should consider it his or her duty to make copies of this sheet, pass along and mail to friends in other cities to arouse the people to the menace that is going on all around them, and of those who are the cause of it. Then rise up and rid the country of your enemy. You will get rid of the disease of Communism only when you get rid of the cause.

The following is an excerpt of a report delivered by the Netherlands Minister at Petrograd on the 6th of September, 1918, on the situation in Russia. The Netherlands Minister was acting for the British Ambassador and the report was presented to Parliament in London...

"The foregoing report will indicate the extremely critical nature of the present situation. The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that if an end is not put to Bolshevism in Russia at once the civilisation of the world will be threatened. This is not an exaggeration, but a sober matter of fact; and the most unusual action of German and Austrian consuls-general, before referred to, in joining in protest of neutral legations appears to indicate that the danger is also being realised in German and Austrian quarters. I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the war which is still raging, and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organised and worked by Jews who have no nationality, and whose one object is to destroy for their own ends the existing order of things. The only manner in which this danger could be averted would be collective action on the part of all Powers."

"I am also of opinion that no support whatever should be given to any other Socialistic party in Russia, least of all to social revolutionaries, whose policy it is at the moment to overthrow the Bolsheviks, but whose aims in reality are the same, viz., to establish proletariat rule through the world. Social revolutionaries will never fight any foreign Power, and any profession which they may now make in this sense is merely a tactical move in their struggle with the Bolsheviks."

SATAN VS CHRIST

The Jewish leaders admit Christ has been the only threat to the Talmudic conspiracy in 2000 years, because he was totally good: Only the totally good person can prevail against the totally evil Jew. Christians who practice the teachings of Christ one day each week can never prevail against the Jew who is evil seven days of the week, and who goes to the synagogue on Saturday to renew his vows of hatred against Gentile society and the murdered Christ.

Each day the drama of the Garden of Eden is re-enacted in our lives. The Jew is the serpent sent by Satan to offer us the forbidden fruit. Daily he tempts us and daily to some degree we succumb to his temptations. The Jew deliberately appeals to the vilest aspects of our nature. Over the span of many generations he has learned how to excite our lusts, our greed, our fears, and our superstitions, in order to gain power over us. For the Satanic Jew can only exist as a parasite on the body politic. When the Gentile is able to resist the temptation of the Synagogue of Satan, the Talmudic conspiracy fails. If we are clean and free from our lusts, the Jew is powerless over us.

Thus the Jew Cannot survive in a highly moral order, such as the ascetic climate of a monastery. However, this is not to say that we must all live as monks in order to resist the Jew, who is the earthly embodiment of Satanism. God's intention was quite different. While we need the monk to show us the realization of the good life, the family which is the basis of our Christian society must go on. We are meant to marry and reproduce and bring up our children in the faith of Jesus Christ. This is a great challenge, and one which is not being properly met today. Brutal murders are committed by juveniles because we have failed them. We have let them fall into the hands of the Satanic Jews, who know how to appeal to the problems and lusts of their young bodies.

Our young people see every conceivable form of sex and sadism presented to them by the Jew-controlled radio, movies, and television, and from Jewish-controlled magazines, newspapers, and comic books. When they see men and women beaten to death, tortured, or shot on the television and movie screens, when they see naked women raped by gorillas in the comic books which are sold on every newsstand, these things seem logical to their young minds.

After all, these things are done by the adults whom they want so much to be like, for every young person dreams of his own adulthood and independence. We adults are robbing them of this chance when we fail to inculcate in them the teachings of Christ, and when we abandon them to the temptations offered by the Satanic Jews.

We must remember that the Jews hate us only to the extent that we are good. If we are highly moral, if we uphold the principles taught by Jesus Christ, we are slandered and attacked by the Jews as "intolerant hatemongers and fascists." Nowhere in His life can we find that Christ was tolerant of evil. He was intolerant of Satan. He went into the temple and overthrew the tables of the money-changers and for this they crucified Him. He would not tolerate evil and for this they crucified Him.

In sad contrast to this, how many of our religious leaders today snatch for the gold which our modern Pharisees, the international Jewish bankers, hold out to them! Despite the fact that this gold still reeks with the blood of the murdered Christ, these false servants of our Lord fall at the feet of the Jewish bankers with out-stretched hands.

If we tolerate the Jews, if we look at their dirty television and their filthy movies and let our children read their dirty comic books, then we are not really evil, and neither are we very good. Therefore the Jews hold us in contempt, because we live and breathe and tolerate an atmosphere of evil.

But if we become as evil as the Jews themselves, if we whole-heartedly join with them in their treacherous conspiracies against society, if we renounce all hope of the good life and dedicate ourselves to perverting our fellow Christians into the Satanic Jewish mold, then the Jews seize upon us and praise us to the skies. We grow fat and rich as the Jewish press lauds us each day as "great men," "elder statesmen," "disciples of brotherhood," "democratic," "antifascist," "tolerant," and "liberal."

Because General Marshall played such a prominent part in delivering 400,000,000 unfortunate Chinese to Jewish Communism, the Jewish press consistently referred to him as "the greatest living American." And because Senator McCarthy exposed General Marshall in his naked infamy, the Jewish press attacked McCarthy as a liar, a crook, and a malicious slanderer.

Nothing is too white for the Jews to blacken, and nothing is so black that they will not attempt to whiten it. Lies which revolt us to the depths of our being are presented by the Jews and enlightened philosophies, and truths which are deep-seated in our blood are attacked by the Jews as prejudices and intolerances.

As an alien who can exist among his hosts only by lying and cheating, the Jew is the perfect agent for Satan. This outcast, who was dispersed over the world by God to remind Christians in every country of Good Friday and the murder of Jesus Christ, is intended as a lesson for all. The evil countenance of the Jew daily reminds us of the presence of Satan on earth and the crucifixion of God's only begotten Son. For many centuries, good Christians always made the sign of the cross whenever they were in the presence of a Jew, in order to ward off the contamination of the sinister and malicious spirit of Satan which taints the Jewish bloodstream.

Today the Satanic Jews are using every instrument of public opinion to turn people away from Christ. They have had the effrontery to infiltrate our churches and from altars and pulpits they preach desecration and blasphemy. They have rewritten the Bible in a "modern" version which contains hundreds of heresies against the manifestation of Christ and the Virgin Mary. Many religious leaders are secret Communists. Stalin himself was converted to Communism while studying for the priesthood in Russia.

The battle against Satan goes on every day. We must choose between good and evil. That is the great challenge of life. We must each do our bravest and our best in the fight for Christ. On the one hand is the Satanic Jew, who offers us every luxury and pleasure, who dangles before us his philosophy of Communism, a scientific materialism which promises everything to everybody, and which is ashes in the mouths of those who have embraced it. On the other hand is Christ, who offers us the beatitude of the spirit. THE CHOICE IS OURS TO MAKE.

[redacted], on July 22, 1964, furnished the following
information:

The author, on July 21, 1964, received an anonymous call from what appeared to be a restrained and responsible woman, who stated that she was afraid to identify herself. The caller stated that Benjamin Freedman, a very rich anti-Semite associated with the magazine, "Common Sense", published in New Jersey, contributed financially to the Negroes who recently terrorized Orthodox Jews in Brooklyn.

The anonymous caller added that Freedman has boasted that he has contributed financially to promote anti-Semitism among Negroes in Harlem, New York, New York.

The anonymous caller gave no other information. The author had no other information relative to this matter.

A source, who has furnished reliable information in the past, on December 28, 1956, advised that Freedman had been associated with and supported "Common Sense". However, Freedman had an argument with the publisher of "Common Sense" and consequently had not recently (December, 1956) met with the publisher. This source added that most people regard Freedman as a man with a disordered mind.

The following is a characterization of "Concordance":

The statements of ownership appearing in the November 1, 1956 issue of "Concordance" indicated that it was published by the Christian Educational Association, 530 Chestnut Street, Union, New Jersey.

The "Newark Evening News", Newark, New Jersey, April 15, 1955, reported that the editor of "Concordance" had been sued because the magazine described an individual as a "red rabbi who, not unlike Albert Einstein, was expelled from Germany for revolutionary Communist activities". A verdict of \$30,000.00 was awarded to the plaintiff in the case.

Dear Mr. Malone:

I wish to bring the following to your attention because I think the mailing of this publication to Newark was meant to increase tension in the area.

[redacted] who had his window smashed during the riot, received, on Thursday, July 18th, a copy of COMMON SENSE dated May 1, 1967. (A xerox copy is here attached.)

This periodical is published bi-monthly, at 530 Chestnut Street, Union, New Jersey by the Christian Educational Association. The envelope, which is not available, was said to be blank, no return address, with a Brooklyn post-mark.

I have no further information that any of the other store-keepers have received copies of this paper. Should any other information, relating to this matter, come to my attention I will forward it to you.

Sincerely yours,
